SWAN ISLAND NORTH PORTLAND AIR QUALITY FORUM
TUESDAY, AUGUST 12, 2014; 9:00 AM-12:00 PM
HISTORIC KENTON FIREHOUSE
8105 N. BRANDON AVE, PORTLAND, OR 97217

PROPOSED AGENDA

9:00 – 9:15 Welcome, Introductions and Agenda

- Welcome and introductions – *Conveners Speaker Tina Kotek and Councilor Sam Chase*
- Agenda review and updates (including DEQ's updates) –*Deb Nudelman, Kearns & West*

9:15 – 10:00 Examples of Community and Industry Collaboration

- What are the suite of tools and techniques that may work here?
  - Examples of best practices for communication, constructive relationship building and outcomes including Good Neighbor Agreements, Action Steps to Reduce Odors and Other Toxics, others?– *Group members come ready to share examples*
- ➢ Question/answer and group discussion

10:00 – 11:45 Partnership and Collaborative Efforts *(includes break)*

- How can the Forum help to develop a process to deal with neighborhood problems/issue resolution with industry?
- How can community engagement with industry look different, short of regulation or rulemaking that dictates a process?
- Is there a willingness of group members to commit to a good faith partnership – voluntarily agree to: (1) deal with issues and (2) improve communications between neighbors/community and Swan Island industry?
- ➢ Question/answer and group discussion; strive for agreement

11:45 – 12:00 Upcoming Meetings, Next Step Tasks and Summary

- Confirm schedule and topics for upcoming meetings
- Who will complete what next step tasks by when?
- Meeting summary and acknowledgements

12:00 Adjourn
